Winter Magic Terms and Conditions 2015

Terms and Conditions: General stalls

1. Full payment via bank deposit or internet transfer must be made in order to receive your Welcome Pack and Stall Pass – this will be emailed in the first week of June. You will not be allocated a space unless payment has been processed.

2. Please note that stalls are not powered and water is not provided, you must provide your own water and provide details of the generator you will be bringing.

3. Street bins are for festival patrons only and stallholders must take all rubbish and waste generated by their stall when they leave Winter Magic Festival 2015. Failure to comply will mean you will not be invited back.

4. Only products described and approved on the application may be sold from the stall. Any changes are to be discussed with the stall curators. Please note that if you are found selling any illegal merchandise, this will be confiscated and you will not be invited back in 2016.

5. The Winter Magic Festival is not liable for the security of goods or money and the festival is not responsible for the loss of any income for any reason. No refunds will be given.

6. Stall holders are to provide all required equipment themselves, unless otherwise agreed.

7. Stall holders must provide a copy of their current Insurance Certification.

8. It is a requirement that all stallholders get dressed up to suit the theme of Winter Magic 2015 – winner will be awarded a FREE STALL for Winter Magic 2016.

9. Stallholders are required to use biodegradable, paper, OR reused plastic bags for their packaging. NO NEW PLASTIC BAGS ARE TO BE USED BY ANY STALLHOLDERS. We can put you in touch with a local supplier of biodegradable bags if needed.

Terms and Conditions: Food Stalls

1. I understand and accept the terms and conditions stated above in ‘Terms and Conditions: General stalls’.

2. I understand and accept that I will distribute only 100% biodegradable packaging at my stall during the Winter Magic Festival 2015.

3. Stallholders are required to make every effort to redistribute, and/or compost all left over or waste products generated by their stall including left-over food. Please contact our Sustainability Team
Director, Marina Brown email: boxladysydney@gmail.com to find out more info. We can assist you to handle your food waste sustainably.

4. Stallholders are encouraged to source hand-made and/or locally grown produce for sale/consumption from their stall at the Blue Mountains Winter Magic Festival 2015.

5. I understand and accept that I will comply with the Blue Mountains City Council food safety standards. Stalls that do not comply with health and safety standards will not be allowed to operate and will be fined by BMCC.

6. I understand and accept that I will only serve food described in my application and that any changes need to be approved by the Winter Magic 2015 Winter Magic Committee food curators.

7. I understand and accept that I will pay a $200.00 bond to the Winter Magic Festival management committee on acceptance of my application to hold a stall at the Winter Magic Festival 2015; and that this will be refunded if I fulfil the festival requirements; and if I choose not to hold a stall during the following consecutive year. Stalls found not complying with the sustainability guidelines may not be allowed to return to the festival.

8. I understand and accept that I will not distribute any polystyrene or plastic packaging from my stall at Winter Magic 2015.

9. I also understand that RFS will visit each food stall to ensure that they have appropriate fire protection e.g. fire hydrant and blanket. Food stallholders will be not allowed to trade without a fire hydrant.

**Winter Magic Sustainability 2015**

All food (pre-packaged included) stall holders will pay a $200.00 bond, to encourage participation in creating a sustainable festival. This bond will be withheld for the following year (assuming that guidelines have been adhered to) and only returned if the stallholder does not attend the following year.

**Sustainable stallholder guidelines:**

- **Use of 100% compostable cutlery, straws, plates, cups, lids, bags and packaging.**

100% Compostable, water proof and heat resistant corn and sugar cane derived products are available through a preferred supplier, let us know if you would like contact info.

- **Take all your waste with you, including cardboard boxes.**

- **Do not use any polystyrene or plastic packaging.**

Polystyrene and plastic production consumes more carbon compared to compostable vegetable based equivalents.

Polystyrene and plastic do not break down for tens of thousands of years and remains in landfill indefinitely.
• Please help us by placing a sign on your stall which lets patrons know you are using ONLY biodegradable packaging and that they can dispose of it in the ORGANICS (GREEN LIDDED) BIN.

• Reduce all forms of waste.

| Contact Earth Rescue: 0416221963 to arrange food rescue of left over edible products to be serve at the Sunday night soup kitchen. |
| Contact Tom Colless on (02) 4780- 1100 before 15th June 2015 to arrange recycling of cooking oil. |

Along with the usual “Most Festive Stall” award, the “Most Sustainable Stall” will receive a free stall at 2016 Winter Magic Festival.

We thank you for your cooperation in making Winter Magic a truly magic as well as a Sustainable Festival!!
